Dear Sir or Madam:

This is in response to your request for affirmation of your organization's exempt status.

In October 1987, we issued a determination letter that recognized your organization as exempt from federal income tax under section 501(c)(6) of the Internal Revenue Code. That letter is still in effect.

All exempt organizations (unless specifically excluded) are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more paid to each employee during a calendar year. Your organization is also liable for tax under the Federal Unemployment Tax Act for each employee to whom it pays \$50 or more during a calendar quarter if, during the current or preceding calendar year, it had one or more employees at any time in each of 20 calendar weeks or it paid wages of \$1,500 or more in any calendar quarter.

If your organization's character, method of operation, or purposes change, please let us know so we can consider the effect of the change on the organization's exempt status. Also, your organization should inform us of all changes in its name or address.

Your organization is required to file Form 990, Return of Organization Exempt from Income Tax, if its gross receipts each year are normally more than \$25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of the organization's annual accounting period. The law imposes a penalty of \$20 a day, up to a maximum of \$10,000, when a return is filed late, unless there is reasonable cause for the delay.

Because your organization is not an organization described in section 170(c) of the Code, donors may not deduct contributions made to your organization. You should advise your contributors to that effect.
