

TAKE PHOTOGRAPH OF COMMITTEE

OBMA Mission Statement:

To promote and support local business and economic vitality in the Ocean Beach community.

Design Committee Purpose: To identify and develop design programs needed for public improvements throughout the business community. To assist business and property owners with design education and technical assistance as requested.

1. **MAD – Schedule a walk thru for both Randy and Brant.**

- **Gardening** – Randy, Naturescape –
Cribs –
Plants –
- **Sidewalk power washing** – Ecoclean did not power wash in December because of all the rain
- **Trash/Cleaning** – Brant, OSCCO –
- **Trash Can Replacements** – looking for grant opportunities to finally get some new trash cans.
- **Trimming Palm Trees** –we could get our palms trimmed on Newport Ave. – the answer – 3rd or 4th qtr of 2020. Still talking to Teddy Martinez from Jen Campbell's office about this.

2. **Tile Project –**

- Phase 32 has closed and has been sent to the engraver. Installation will be in January 2020. It was delayed because the fabricator's machine broke. Phase 33 is open for orders.

3. **New 2020 banners**

- Check out the new banners from Ashley Lewis
- Concept idea for 2021 banners – We would need to start it in August 2020.

4. **Sunset Cliffs Banner District**

- ### 5. **Fencing area around Artwork at Pier Lot -** Offer from company that built the pier to install old drill bit augers on either side of artwork, they will pay for installation. Ralph Teyssier is working on drawings to present to the OB Planning Board and the OB Town Council to get their approval. Then we start working with Park & Rec and get this thing done. *Update: Ralph is quite busy but is keeping in touch. We are probably looking at spring of next year for an install if all goes well.*

6. **Designs for Electrical Boxes** — any update?

Ongoing programs on hold & tabled items:

7. **Block Wall Signage at Sunset Cliffs and Newport Ave –**

- Suggestion to replace with sign saying "Welcome to Downtown OB". Ron was going to give us a price on this sign placed on both sides of the wall after the wall is repaired. Mike Akey got the Ok from US Bank.
- Wayfinding project highlighting North/South OB as well

- Mike Akey is proposing Welcome to Ocean Beach and using the same font as the “Ocean Beach” sign located as you enter OB on Sunset Cliffs Blvd.
- Ron with Sign Diego will come up with a price.

8. North/South OB – We really want to concentrate on South OB and North OB, we need some input

- South OB page has been drafted and will be sent to businesses for approval
- Idea for planter boxes in South OB –
- We are at a stand still on this project.

9. Curb repair – still waiting on permanent repairs. Brant reconnected with his concrete guy.

Broken curb near The Black will need to be re-built. Perhaps they can also rebuild the slurry-seal “curb” that is directly adjacent to it. – Update: Get it Done report made a year ago. Marked “In Process” on the app. The broken material has been removed but the curb has not been repaired.
