

OBMA Mission Statement:

To promote and support local business and economic vitality in the Ocean Beach community.

Design Committee Purpose: To identify and develop design programs needed for public improvements throughout the business community. To assist business and property owners with design education and technical assistance as requested.

1. MAD – Schedule a walk thru for both Randy and Brant.

- **Gardening** – Randy, Naturescape
Cribs – Is your crew working on trimming up the plants and blowing out the debris?
Plants –
- **Sidewalk power washing** – Ecoclean did not power wash in February because of all the rain. The City treated Newport Ave on Feb 26th unexpectedly.
- **Trash/Cleaning** – Brant, OSCCO – need to set up a walk thru
- **Trash Can Replacements** – looking for grant opportunities to finally get some new trash cans. Denny contacted the County and they will not fund anything additional this year so we can't apply for new trash cans. Will need to find another source of funding.
- **Trimming Palm Trees** –on Newport Ave. expected in the 3rd or 4th qtr of 2020. Still talking to Teddy Martinez from Jen Campbell's office about this.

2. Tile Project –

- Phase 32 has closed and has been sent to the engraver. Installation was in February 6 & 7, 2020. It was delayed because the fabricator's machine broke. Phase 33 is open for orders.

3. 2021 Banner concept

- We would need to start it in August 2020.
- What does OB mean to you. Artwork provided by OB Elementary, Dana, Correira and PLHS students. Up to 60 little artists needed.
 - Work with Ashley Lewis on creating instructions, etc.
 - Establish POC at each school in May 2020.
 - Have schools provide information to students in September 2020.
 - Submissions to OBMA by October 15, 2020.

4. Sunset Cliffs Banner District – staff will contact members in that area to determine what they would like for banner designs and if we can find enough people to help pay for it. Approx 22 light could accommodate new hardware and banners.

5. Fencing area around Artwork at Pier Lot - Offer from company that built the pier to install old drill bit augers on either side of artwork, they will pay for installation. Ralph Teyssier is working on drawings to present to the OB Planning Board and the OB Town Council to get their approval. Then we start working with Park & Rec and get this thing done. *Update: Ralph is quite busy but is keeping in touch. We are probably looking at spring of next year for an install if all goes well.*

6. Bases for our street lighting – we submitted many Get-It-Done reports about all the broken bases. So far nothing is being done.

7. **Designs for Electrical Boxes** — One artist came in and cleaned up the graffiti on the box she painted.

Ongoing programs on hold & tabled items:

8. **Block Wall Signage at Sunset Cliffs and Newport Ave –**

- Suggestion to replace with sign saying “**Welcome to Downtown Ocean Beach**”. Ron was going to give us a price on this sign placed on both sides of the wall after the wall is repaired. Mike Akey got the Ok from US Bank.
- Wayfinding project highlighting North/South OB as well
- Mike Akey is proposing Welcome to Ocean Beach and using the same font as the “Ocean Beach” sign located as you enter OB on Sunset Cliffs Blvd.
- Ron with Sign Diego will come up with a price.

9. **North/South OB** – We really want to concentrate on South OB and North OB, we need some input

- South OB page has been drafted and will be sent to businesses for approval
- Idea for planter boxes in South OB –
- We are at a stand still on this project.

10. **Curb repair** – still waiting on permanent repairs.

Broken curb near The Black curb will need to be re-built. Perhaps they can also rebuild the slurry-seal “curb” that is directly adjacent to it. – Update: Get it Done report made a year ago. Marked “In Process” on the app. The broken material has been removed but the curb has not been repaired.
