Special Information about our Certified Farmers Market:

Certified Farmers Market (CFM) Rules and Regulations

Revised 4.1.09

Purpose: The Certified Farmers' Market (CFM) is established for the benefit of both producers and consumers. The CFM provides producers with the opportunity to sell fresh California grown produce directly to the consumer. The market offers certifiable agricultural products and non-certifiable agricultural products along with non-agricultural products. The sale of non-certifiable agricultural products is only permitted in the designated areas of the CFM.

The CFM is operated in accordance with regulations established in the California Administrative Code (Title 3, Article 6.5) pertaining to Direct Marketing and the California Food and Agriculture Code Chapter 10.5 Direct Marketing. The market is certified by the County Agricultural commissioner as a direct marketing outlet for producers to sell their products directly to the consumer without meeting the usual size, standard pack and container requirements for such products. However, all produce must meet minimum quality standards.

The non-certifiable and non-agricultural products add variety and enhance the festive ambiance of the CFM. Although State Direct Marketing regulations require the producers of fresh fruit, nuts, vegetables, flowers, honey, eggs, nursery stock and plants to be certified, producers of non-certifiable agricultural products and non-agricultural products are not certified, but the same producer-to-consumer philosophy applies for all items sold at the CFM.

The market manager will provide each certified vendor with a copy of the complete **Rules & Regulations for Certified Farmers (revised 1-1-16)** and must be signed and dated. The market manager will provide each non-certified vendor with the complete **Rules and Regulations for Non-Certified Vendors and Crafters (revised 1-1-16)** and must be signed and dated. Contained in this application are some helpful reminders about the rules and regulations

If you are accepted into the Artisan's area, you must call the market manager 619-279-0032 at least 48 hours before the market to inform him/her. If less than 48 hours the cancellation fee will be the booth fee amount.

The product must be made by the artist or craftsman. Generally speaking, handcrafted imports will not be accepted. Also, artisans will be selected on their attitudes, professional conduct and appearance of their booth.

Jurying Your Work:
