Bulman Painting, CA Lic. #1005949

Hello Ocean Beach!

We are excited to be a part of the OB community for going on 6 years! We are so grateful for the opportunity to serve San Diego and especially OB. Steve has been painting since the young age of 14 and Michelle is so happy to have such a knowledgeable, hardworking partner. Together we want to create a great experience for our customers. The 18 years experience Steve has acquired is paramount to the way this company is run. While we offer competitive quotes and quality craftsmanship, a great customer service experience from start to finish is a pivotal part of our work.

We specialize in both interior and exterior painting. With exteriors, we provide services such as stucco patching, wood repair, and pressure washing, to name a few. With interiors we offer drywall patching, texturing, and other services like fine finish spray jobs for kitchen cabinets. We also do stain and deck or fence refinishing. For those small jobs, we offer a "painter for a day" option. Give us a call and let us help you beautify your home or business! **619-565-7704** www.bulmanpaintingpros.com

to Award Four Homegrown Community Heroes

Next month, the local wine bar and restaurant dedicates its seventh anniversary to four community-nominated heroes who make Point Loma and Ocean Beach shine.

This year's Homegrown Community Heroes include:

- Nicole Burgess, Ocean Beach resident, for her diligent work to make the community a bike and pedestrian haven.
- Stasi McAteer, Ocean Beach resident, for opening her home and building relationships with everyone around her.
- Tony Jeffreys, Point Loma resident, for dedicating his life to keeping the community of Point Loma safe.

On Monday, November 7, from 6 p.m. to 8 p.m., The Wine Pub invites families, friends and pooches of its four heroes to celebrate under the stars. Guests will enjoy wine, dessert and heartfelt speeches while The Wine Pub blows out a candle in the shape of a number seven.
