David Klamon & Diem Do,

*Have you
seen our new
palm
decorations
on the
lamp posts?*

This was a joint effort between the Ocean

Beach Community Foundation and the OBMA's Design Committee. They worked for months to come up with the prototype, colors and size. Then, Supervisor Greg Cox provided a one-time community enhancement grant that made the 1st phase of this project a reality. As always, **Supervisor Cox** is there when we need him and he is willing to help when he can. We think the committee did a fabulous job . . . *and it is uniquely Ocean Beach.* Did you know that when the moon is full it throws a shadow of a palm on the sidewalks? Very cool indeed! Many thanks to **Joe Ewing** for providing a number of photos of the palm decorations for our use. *If you would like to join the Design Committee and assist with phase 2 and other beautification projects, please call us at 619-224-4906.*

Congratulations
to our elected Board Members
listed above *and . . .*

Many thanks to all of you who painted squares on this year's **Mural Project** at the Annual Ocean Beach Street Fair & Chili Cook-Off Festival. **Rich James** designed the overall theme and ran the project during the event. **Frank Greene, OB Suds**, offered to cover the costs of the installation and helped Rich to install the mural on the side of his newly refurbished car wash (corner of Voltaire & Bacon).

P.R.O.W. Public Right of Way Enhancement Program

We are very fortunate in Ocean Beach to have been part of a two year test of the **P.R.O.W.** which allowed our merchants to offer café seating and limited merchandise displays outside the front of their businesses. This has been a terrific program and created economic growth for our local businesses.

We (OBMA) are again signing up businesses interested and qualified to participate in this groundbreaking program. Please call our office at **224-4906** and we will assist you in
