Small Businesses Enjoy Cool Savings With SDG&E's Summer Saver Program

Although hot summer days are already here, small businesses that have a central air conditioning system can still keep their cool, help reduce energy demand and earn a credit on their SDG&E® bill with the Summer Saver Program*.

Simple to Join, Saves Money

It's easy to participate. Just visit www.sdge.com/summersaver and enroll online. Or call 1.800.850.1705. Either way, it's free to join.

As a Summer Saver you'll be doing your part to reduce energy demand when the San Diego region needs it the most. Business owners simply agree to let SDG&E install a free device on their central air conditioning unit that enables it to be automatically cycled "on and off" for a few hours on select hot summer days. By reducing the amount of time a cooling system runs, business owners can earn a credit on their energy bill. Best of all, they'll still stay cool and comfortable.

Several Money-Saving Options

SDG&E realizes that every business has different energy needs, so it offers five different plans to choose from, with rewards of up to \$11.50/ton of cooling capacity. The more a cooling system cycles on and off, the bigger the reward. Sign-up for the Summer Saver Program today!

* Summer Saver season runs from May through October. Bill credit is given the month following the Summer Saver season.

SDG&E has an agreement with a third party, Comverge, Inc., to provide the technology and administer the Summer Saver program. Comverge is responsible for installing, removing and servicing the wireless unit.

This program is funded by California utility customers and bill credits are administered by SDG&E, under the auspices of the California Public Utilities Commission (CPUC). This program may be modified or terminated without prior notice. Plan credit amounts and program options are subject to change pursuant to the CPUC. Actual participation in Summer Saver is based on your effective date. The effective date is the day that the cycling device was installed. Customers with October effective dates must participate through the end of the next year's season in order to receive the prior year's bill credit. SDG&E MAKES NO REPRESENTATIONS AS TO THE SAFETY, RELIABILITY, AND/OR EFFICIENCY OF GOODS AND SERVICES PROVIDED UNDER THIS PROGRAM. SDG&E MAKES NO WARRANTY, WHETHER EXPRESS OR IMPLIED, INCLUDING WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, USE OR APPLICATION OF SELECTED GOODS AND SERVICES.

OB Community Cleanup/Recycling Event

Eliminate clutter and get rid of unwanted items by donating or recycling them at the City of San Diego's **Community Cleanup/Recycling Event - Saturday, October 13, 8am to 1pm**, next to Robb Field in Ocean Beach. Please enter off of West Point Loma Blvd. at Abbott St.

This event is designed to help Ocean Beach residents properly dispose of or recycle bulky items that do not fit in the City's refuse collection or curbside recycling containers. This is a partnership between **Zero Waste San Diego, Ocean Beach Community Development Committee (CDC), Ocean Beach Town Council** and the **City of San Diego Environmental Services Department (ESD)** to provide expanded recycling and reuse opportunities for residents of OB. Help us keep these recyclable and reusable items out of the landfill.

Acceptable Items:

- Appliances
- Carpeting
- Electronics (such as TVs, computer monitors, VCRs, and CPUs)
- Cell phones and Laser/Inkjet printer cartridges (donations will go to the Point Loma High School Foundation and Alumni Association)
- Yard trimmings (Grass, leaves, shrub clippings less than 4' long and no one piece more than 6" in diameter, and bundled in lengths no longer than 4', tied with string on both ends, and weighing no more than 50 pounds)
- Furniture
- Lawnmowers (free of oil/gas)
- Metals
- Wood

Unacceptable Items:

- Dirt, construction materials, or demolition rubble
- Household hazardous wastes (paint, batteries, motor oil)
- Light bulbs or tubes
- Tires

For information on proper disposal of unacceptable items, call

ESD at (858) 694-7000.

Help improve our community through recycling and reuse.
